Urgent Notice to Respondents 2 and 3 by Speed Post.

It is stated that the petitioner is running a rubber nursery. According to the petitioner, the loading and unloading work connected with the said nursery is being carried on by himself and his family members; but members of Respondent Nos. 2 and 3 Unions are causing obstruction to the same. Though he complained before the first respondent, no protection is granted.

In the circumstances, there will be a direction to the first respondent to afford the petitioner and his family members necessary protection for carrying out the loading and unloading work in connection with the rubber nursery mentioned in the writ petition, provided the said work is being carried out by himself and his family members alone. This will not entitle the petitioner to engage any other workers.

Post for further consideration on 22.6.2007.
